1st October 2026

Dear Parents/Carers,

Year 5 and 6 will be attending a trip to **Perivale Woods on Thursday 8th October 2026**, which supports the children's Science learning about the classification of living things.

We will be visiting Perivale Wood to take part in a 2-hour outdoor workshop, led by a wildlife expert. The children will have the opportunity to explore the woodland and observe living things in their natural habitats, helping them to develop their understanding of how living things can be classified and grouped.

We will walk up to Paradise Fields, along the canal and then on to Perivale Woods. We will return to school before lunchtime, so children will not need to bring a packed lunch.

To cover the costs of the workshop, we require £4.00, which can be paid via School Money.

Children should wear school uniform and a waterproof coat as usual. The wood may be muddy, so children can wear boots or other suitable outdoor footwear, as long as they are comfortable walking in them.

To ensure our trip goes ahead, we are looking for parent/carer volunteers to accompany us. If you would like to attend, please tick the box on the slip below. We will contact you if your assistance is required.

We are looking forward to an enjoyable and exciting morning of outdoor Science learning!

Yours sincerely,

Mr Virji
